

Dr Andrea Hilton BPharm, MSc, PhD,
MRPharmS, PGCHE, FHEA

Medicines Management Pharmacist

Hull University

Andrea is a qualified pharmacist having gained her undergraduate degree (first class honours) in Pharmacy from Bradford University in 1999.

She then completed an MSc in clinical pharmacy whilst working in secondary care.

She completed her PhD in 2006 whilst working on the MRC funded RESPECT trial. Her PhD was entitled 'Development and Validation of a UK Medication Appropriateness Index'.

She completed her postgraduate certificate in higher education teaching in 2009 and is a Fellow of the Higher Education Academy.

Andrea is a practicing pharmacist and works in primary care and locums as a community pharmacist. Andrea has been past chair of the local branch of the Royal Pharmaceutical Society as well as chair of the Hull Pharmacy Association. She is currently a serving member of the committee of the local branch and involved in the Local Practice Forum (LPF). She was also secretary of the Pharmacy Development Group.

Andrea has reviewed for numerous pharmacy journals.

Andrea's research interests include care of elderly, medicine management, pharmaceutical care and pharmacy practice.
