

**Daniel Kelleher MA (Hons.)**  
Research Assistant

Humber NHS Foundation Trust

Daniel graduated from the University of Glasgow in 2013, with MA Honours in Psychology. He subsequently joined Alzheimer Scotland as a support worker where he developed a keen interest in the psychology of ageing, neurodegenerative disorders and Older People's Mental Health Services. He has worked closely with individuals diagnosed with a variety of dementias, on a one-to-one basis as well as in larger group settings within the community. He joined the Dementia Research team in April 2015.
