

**Emma Anderson MSc**  
Research Assistant

Humber NHS Foundation Trust

Emma graduated in 2016 with an MSc in Applied Neuropsychology from Bath Spa University. During her time at university, she volunteered in Bristol on an acute stroke ward and with the brain injury charity Headway. Since graduating Emma has worked as a Health Care Assistant with the Sussex Partnership NHS across their adult/ older adult mental health and dementia wards. Emma joined the Dementia Research Team as a Research Assistant in March 2017.
