

Kathryn Gibson BSc

Research Assistant

Humber NHS Foundation Trust

Katie has worked in health related services since 2002, both in a hospital and a community setting. She graduated from York St John's University in 2009 with a BSc(hons) in Occupational Therapy and worked for Hull and East Yorkshire Hospitals NHS Trust as an occupational therapist. This rotational post led to working with older people and Katie then joined the Challenge Demcare team as a Research Assistant in December 2011, assisting firstly with the ResCare study, but since then has been part of the iCST, PROMS and PrOVIDe studies and is currently working on the VALID study.
