

Rhiannon Tudor Edwards DPhil, M.A.

Senior Research Fellow in Health Economics

University of Wales, Bangor

Rhiannon Tudor Edwards is Senior Research Fellow in Health Economics and the founding Director of the Centre for the Economics of Health, University of Wales, Bangor. She is a graduate of the University of Wales, University of Calgary, Canada, and the University of York, U.K. Rhiannon provides health policy support to the Welsh Assembly Government. Her interests span economic evaluation alongside clinical trials, the impact of political devolution on health policy and she contributes to the policy evidence base for tackling the wider economic determinants of population health.

Rhiannon is the author of the paper *The Economics of Prevention in Health Care: The Business Case for Quality* mentored by Ed Wagner, M.D., M.P.H., and Eric Larson, M.D., M.P.H., Group Health Cooperative at Puget Sound.
